

Investigation of Real Estate Pricing in Hot Coffee, Mississippi.

Prepared by Evgeny Noi as part of the final project in PSTAT 220A

Executive Summary

- point A
- point B
- point C

Introduction

The residential real estate pricing depends on many factors that potentially make the property more attractive for living. Traditionally prime real estate is valued for proximity to educational, healthcare and recreational services. The city of Hot Coffee is located in Covington County, MS and has a population of 912 people.
